Testimonial

We are one of the leading manufacturers of Fire Fighting Appliances and Fire Suppression Systems in India. We manufacture the complete range of INTIME brand Fire Extinguishers, its spares and ancillaries.

After my 1-2-1 with Ankit Garg of Krishana Print Creation, I gave him the order of my office stationery. His service was quick and the deal was closed in no time. All my printing requirements have reached on time, some even at late as 11 pm. Being impressed with his service, all my office and factory printing requirements are going to be ordered to him.

I am happy to be associated with Ankit Garg and will be promoting his services and professionalism to my friends and clients as well

I wish him all the luck.

Thanks and regards
